Resolution 2018-1

Whereas, the International Association of Auto Theft Investigators (IAATI) is a worldwide association of law enforcement personnel, insurance industry, and other related business members representing 71 countries with over 3,600 members; and

Whereas, IAATI is an internationally recognized association whose members are skilled and trained in vehicle theft identification, stolen vehicle recovery, prosecution, and vehicle theft prevention; and

Whereas the International Association of Auto Theft Investigators believes its role of responsibility towards promoting safety highways through theft prevention and the breaking of vehicular theft/crimes cycle, the IAATI organization thus gives the resolution of their support for effective OEM and aftermarket immobilizers that meet the UL/CAN S-338-98 Standard, including any updates to this Standard.

Be it resolved, that the IAATI organization also resolves to support the updating of this Standard to address the adapting criminal elements and the advances in technologies with both OEM and Aftermarket solutions.

Be it further resolved, that a copy of this resolution be forwarded to every Chapter and Branch in the International Association of Auto Theft Investigators.
